GIVE LOCALLY TO MEET LOCAL NEEDS

The Pleasant Hill Community Foundation is entering its 32nd year helping to make our community a better place to live. We are proud to be able to support a wide range of causes as each of them helps enhance the quality of life in Pleasant Hill for all of us. All you have to do is drive around town to see some of our many projects that bring great joy to our families. These projects were accomplished because people like you donated to the PH Community Foundation.

Some of the 2018 Funded Grant Awards Include:

A grant to the *Pleasant Hill Recreation & Park District* helped to fund the *Tinkers and Thinkers Innovation Faire* where children and families participated in FREE activities based on STEM Education (Science, Technology, Engineering and Math).

The *4th of July Commission* brought the community together with a long list of events starting with a 5K Fun Run and ending with a spectacular fireworks show. Families enjoyed another entertaining parade and a myriad of activities in Pleasant Hill Park afterwards. Your donations helped contribute to this great day!

The *Contra Costa Humane Society* received a grant that allowed them to save 40% more dogs and cats. Plus they provided free pet food and referrals to low-cost veterinary services for low-income families.

Other 2018 Grant Award Winners Include:

Adult Day Services Network * Choice in Aging
College Park Grad Nite Boosters * Diablo Theater Company
Friends of the PH Library * Pleasant Hill Senior Center
Project 2nd Chance * STARS 2000
